

### Silent "e" Changes

#### Objective

The student will identify variant correspondences in words.

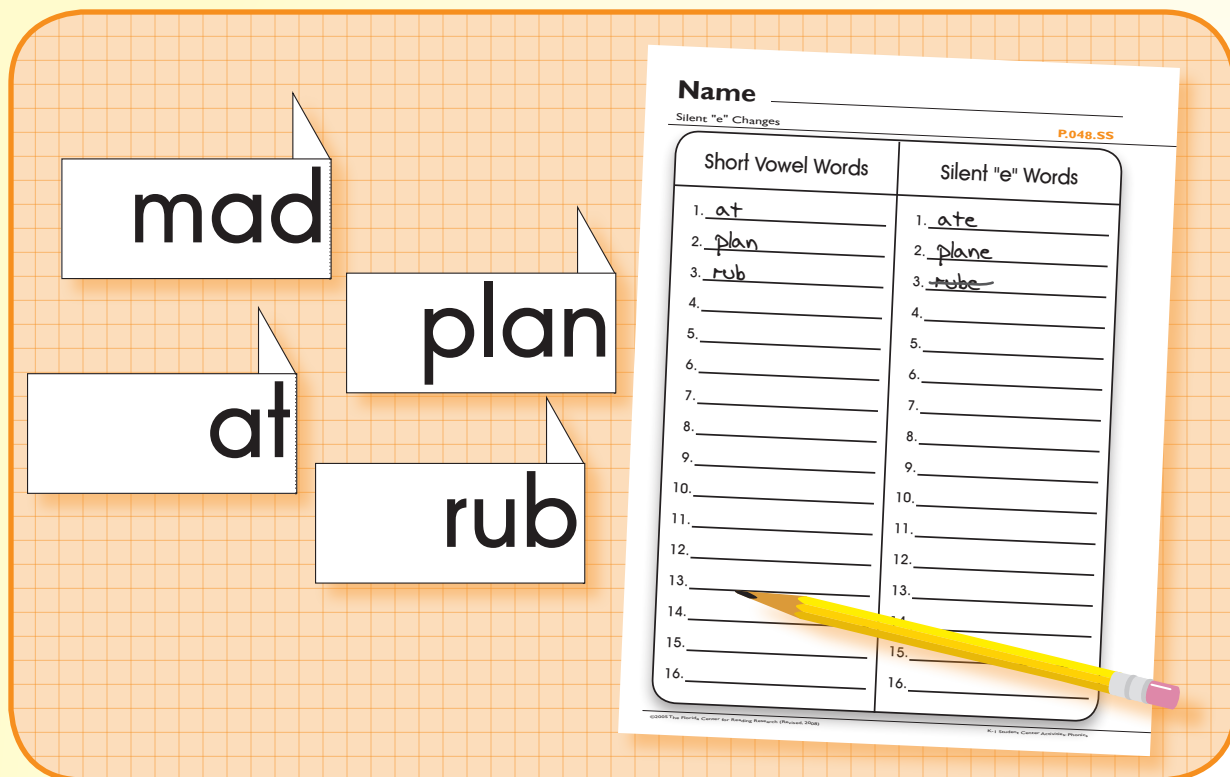

#### Materials

- ▶ Silent "e" word strips (Activity Master P.048.AM1a - P.048.AM1e)  
*Copy, laminate, cut, and fold strips on the dotted line.*
- ▶ Student sheet (Activity Master P.048.SS)
- ▶ Pencils

#### Activity

Students read words with and without the silent "e" pattern.

1. Place silent "e" word strips standing up with "e" folded toward back on a flat surface. Provide each student with a student sheet.
2. Taking turns, students select one of the strips and read the word orally (e.g., "plan").
3. Turn the "e" to the front of the strip and read the new word orally (i.e., "plane").
4. Write both words in the corresponding columns on the student sheet. Determine if each word is real or nonsense. If nonsense, cross it out.
5. Continue until all strips are read and recorded.
6. Teacher evaluation

The illustration shows four word strips: "mad", "at", "plan", and "rub". Each strip has a tab on the right side. To the right is a student sheet titled "Name \_\_\_\_\_" and "Silent 'e' Changes P.048.SS". The sheet has two columns: "Short Vowel Words" and "Silent 'e' Words". The first three rows are filled with handwritten words: "at", "plan", and "rub". The "at" and "plan" entries are under "Short Vowel Words", and the "ate", "plane", and "rube" entries are under "Silent 'e' Words". The "rube" entry is crossed out with a red line. A yellow pencil is shown at the bottom of the sheet.

#### Extensions and Adaptations

- ▶ Make more silent "e" word strips (Activity Master P.048.AM2).
